Art Show and Bubble Show!

Wow! What a great turnout! Thank you to all who were able to attend the Art Show - it is so nice for our students to be able to see their art displayed and share it with you! The bubble show was a big hit. Bubble Benjy (OMG Bubbles) certainly kept us entertained, the excitement in the room was palpable! And I enjoyed being IN a bubble for the first time ever! The bubble show was made possible by the Patent's Night Out fundraiser in the fall (thank you again!!). This wonderful fundraiser is the gift that keeps on giving!

Mother's Day

We love this time of year - Mrs. Machin's class celebrated their moms last week, and this week it's our 3's and 4's classes turn! They've been baking, practicing songs, and making surprises! (Please note the baked goods are for you to take with you and enjoy at home). Wishing you all a wonderful Mother's Day Sunday!

Field Day - Change of Date

Field day for the 3's and 4's has been rescheduled from Friday June 5 to Wednesday June 3, rain or shine! Please make this change on your calendar. More information will come as it gets closer.

Registration 2026-2027

Spread the word - We have limited availability in our 2.5's, 3's and 4's classes next year! We are proud to provide a nurturing child-focused setting for developing our students' academic, physical and emotional growth, and look forward to full classes next year!

Parent Packets

Parent Packets for returning students will be distributed next week! Thank you in advance for reading, completing, signing, and returning as soon as possible!

Fun on the Farm

Classes are set! We've got so many fun activities planned! Reminder for those attending: campers will bring a packed peanut and nut free lunch, and a water bottle. Remember to write your child's name on the lunch and water bottle! 8:30 drop off will be available daily for \$8.

New Playground Equipment

Hopefully you've seen pictures of our students all over our new single tunnel steam roller! We have all loved seeing how the kids are playing with it - climbing and crawling in the tunnel and "driving". It's great for large motor skills, and imaginative play!

Early Drop Off and Extended Day

A reminder in case you need it - Early Drop Off is available every morning at 8:30, there is no need to sign up beforehand. The \$8 fee may be paid at the door or invoiced to you. There is availability in the 3's Lunch & Learn class Mondays, Wednesdays, and Fridays. The 4's Enrichment class is available on Tuesdays and Thursdays. Extended day classes will be invoiced to you (\$40) and advance notice is requested.

Upcoming Dates of Note

Friday May 8 - Mother's Day celebrations

May 22 - School closed, Memorial Day

May 25 - School closed Memorial Day

June 3 - Field Day

June 5 - Last Day

Farm Camp June 8-12 9:00- noon
